October 27, 2020

Let  $k1\_xxreal\_0 : \iota$  be given. Let  $k1\_numbers : \iota$  be given. Assume the following.

$$k1\_xxreal\_0 = k1\_numbers \tag{1}$$

Assume the following.

$$\forall X0.\forall X1.(X0 \in X1) \Rightarrow (\neg X1 \in X0) \tag{2}$$

**Theorem 1**  $\neg k1\_xxreal\_0 \in k1\_numbers$ .
